

MY WELLNESS
Get Well. Stay Well. Live Well

January 2014

Hamilton + Partners is pleased to announce the addition of MY WELLNESS products and services to our offering.

As part of People Corporation, Hamilton + Partners clients can take advantage of several complimentary wellness offerings to help you attract, reward and retain employees. These include a monthly communication, materials to share with your members and access to other health and wellness articles and resources.

"The People Corporation MY WELLNESS suite is just one more component of the unique value proposition offered to our clients in addition to our group benefits, group retirement, and human resource consulting advice," said Ms. Bonnie Chwartacki, Executive Vice President, "It is our goal to serve the needs of our clients and future clients by continuing to elevate the standards of our proprietary solutions, in addition to our full suite of consulting expertise."
